March 29 2011

Trail Report- there is a tree down between trails 21A and 30A. There is about 2ft of snow, the trails seem to be in good shape. 4 wheel drive vehicles should have no problem making it to the parking lot.

The trail committee has planned a season Kick-off Picnic & ride on April 2nd. Bring a dish to share. Land / Trail Committee Equipment update- Woody will be contacting the previous own to make arrangemnet to pick it up next week.

The TC and Committee will be evaluating the trails on April 17th. Insurance- the Equipment is not covered on the current policy. Moak has talked to insurance company for a quote. We will have to obtain a separate policy for the equipment.

The club insurance for this year is \$850.65. for the lease Motion tabled from last month. There was a Motion put on the floor in January that we maintain 1 years lease fee's at all times. This was tabled until we get more information. We had a discussion on this at February's meeting. The members decided to postpone a decision until we could get more information from the member Mr. Miller who proposed the motion. This motion was amended to the following that after renewals in September the club put aside 1 years lease payment before any money is used for any other expenses.

Shane Watts off-road instructional school will take place June 26 and 27. NCATVA members will be able to sign up before it is open to the public. They will carry their own insurance but will be required to sign our guest waiver. The property will remain open to all members.

By-laws- After some suggestions and changes the updated were voted in. Update on the ATV weight change law there have been some changes made and is back in front of the transportation board. Manufactures are pushing to change the weight limit of the UTV and making them have a class of their own. Some local clubs are fighting this because if the UTV get a class of their own they are no longer be able to ride on any public ATV trails.; these clubs would have to go back in front of the county and towns. To get UTV approval for the trails. UTV are not required to be

registered in NY, (as of now), NY is not honoring out of state registrations, and your registration needs to match your license. Because you cannot register your UTV in NY we are not requiring registration but we are requiring insurance.

Business cards are here, if you are interested in on please see Sheri.

Some businesses and dealers require a club ID to receive the discount they offer.

NYTRO Meeting April 2nd in Liverpool. Moak , Sheri, Chris and Rick will be attending.

North Shore Road Wash Out any member coming from the Northville, mayfield, gloversville, broadalbin abd Johnstown areas will need to take south shore road all the way across the Stewarts pond dam to north shore road then to the lease.

Trail Council Meeting Nominations, Greg nominated Bill Below and Chris nominated Jim McKernon for Vice President. Bill made a stipulation before he would accept the nomination, after a brief discussion on that stipulation a motion was place on the floor and it was voted down by 13 to 6 and then Bill withdrew his nomination. (if he stipulation was the club retain BOD insurance)

President-Moak; Vice President-Jim; Treasurer-Mike Secretary-Sheri; Trail Coordinator- Joe and Rick. We will be voting at May's meeting.

Brownell's Yamaha Open House-April 30th. Moak is trying to obtain for information on this. They would like us sponsor the open house and hold a ATV Rodeo. The insurance quote is between \$400-\$700. plus the cost of trophy's. if they are willing to have us hold a pull that would be no cost to the club except trophy's. We need more details. As of this second we have still been unable to make contact them.

Thrumen town roads are closed to ATV traffic-we will keep everyone updated as we get more information.

Event Committee, Joe suggested we add an event committee. This committee will plan events for the lease.

Chris will be the coordinator. Volunteers to help on the committee were: Beth C.; Jim C.; Rick W.; Bubby M.; Sheri D.

Some of the ideas were rodeo, poker run, scavenger hunt, picnic group rides, club to club rides. fire night camping, ect. If you have any ideas on what you would like to see **up there**

e-mail Chris @ cwashburn43@hotmail.com

Donation- the members voted to sponsor a child for summer camp. The summer camp is organized by the Ballston Spa Community Center, this is a school age summer camp. NCATVA will be sponsoring 1 child for 1 week.

On Jan. 25, Representative Denny Rehberg (MT) introduced H.R. 412, the Kids Just Want to Ride Act of 2011, which would exempt kids' off-highway vehicles (OHVs) from the Consumer Product Safety Improvement Act (CPSIA) of 2008 that effectively bans their sale beginning May 1. The American Motorcyclist Association (AMA) strongly supports this bipartisan effort and is urging everyone to contact their Representative to become a cosponsor today. H.R. 412 is the most promising and viable legislative remedy available to permanently exclude kid-sized motorcycles and ATVs from the unintended consequences of the CPSIA.

The AMA thanks the countless concerned enthusiasts that have already contacted their Representatives to support this legislation. However, we are facing a fast-approaching May 1 stay of enforcement deadline and you must continue to contact your member of Congress to help the Kids Just Want to Ride Act of 2011 move toward passage.

You and everyone you know that is concerned with the future of youth riding needs to contact your Representative and ask them to cosponsor H.R. 412, the Kids Just Want to Ride Act of 2011. You can write your member of Congress by following the "Take Action" option and sending a letter directly to their office in Washington, DC. You can also call your Representative. Tell your Representative to cosponsor H.R. 412, the Kids Just Want to Ride Act of 2011 immediately.
